

Applying for a New Haz Waste Transporter License External Procedure

Overview

Transporters of Hazardous Waste, including waste oil, combustible liquids, corrosives, poisons/ toxins, flammable liquids, flammable solids, PCB's and infectious waste - must obtain a Hazardous Waste Transporter License. The license issued is valid for one year and helps ensure environmental protection through proper disposal of waste.

Process

1. Access MoDOT Carrier Express (MCE) through the log in page located at www.modot.org/mce. Enter the user id and password assigned to you by Motor Carrier Services and click log in.

Sign in to begin using MoDOT Carrier Express.

User ID:
Password:

The credentialing modules of MoDOT Carrier Express (IRP, IFTA, Trip Permits, OPA) will be unavailable on Friday, June 16, 2023 from 2:00 am until 3:00 am CDT for system updates.

Welcome to MoDOT Carrier Express

- [Click here](#) for information to resolve User ID and Password issues.
- NEW CUSTOMERS: Please visit www.modot.org/starting-new-account and email completed form(s) to contactMCS@modot.mo.gov.
- MCS accepts eChecks, debit and credit card payments. Convenience fees apply. Visit www.modot.org/mcs for details.
- MoDOT takes seriously its responsibility to keep motor carriers' information private. We can discuss accounts only with those on record as official contacts, appointed by the companies we serve.

If you do not have an account with MCE, you will need to complete the Customer Information Form. This form can be found on the Hazardous Waste page of our website, www.modot.org/MCS. Once we process this form, you will be sent a user id and password.

Note: Only one username and password are issued per company. If you have to reset a password, make sure no one else in the company is using the login before resetting it.

Once logged in, your account name, customer id, and USDOT number will be displayed at the top of the page.

The screenshot shows the MoDOT Carrier Express user interface. At the top, there is a navigation menu with links for HOME, APPLICATIONS, CUSTOMER, USER SETTINGS, and LOGOUT. Below the menu, a welcome message reads "Welcome to the MoDOT Carrier Express!". A red box highlights the account information: "Account Name: MCS HAZ HAULING LLC", "Customer ID: 241666", and "USDOT Number: 62562581". Below this information, a message states: "Use the menu above to navigate to a program or use the quick links below to go directly to an action." To the right of the account information is a small image of a green and white truck with the text "Motor Carrier Services" below it.

2. Click applications and select HW/WT.

- Now that you have made it to the hazardous waste system, you are ready to start your new license request. Click new and select new haz waste app.

- You will see the first page of a new application pre-filled with some of your information. This information comes from your customer profile. If you notice something needs to be corrected, **STOP**. You will need to send an updated customer information form to contactmcs@modot.mo.gov. Updating your customer profile will ensure your account contains the correct information throughout our system. You may add or change only the information outlined in red.

11. On the next page you will enter the miles and shipment information. **Things you should know:**

- a. **Total Miles** – this equals your total IRP miles. For those carriers who do not

report mileage under IRP, the total miles should be determined by using the beginning and ending odometer readings from all vehicles operated in your fleet from July 1 to June 30.

- b. **Total Missouri Miles** – this equals your total Missouri miles as reported for IRP. For carriers who do not report mileage under IRP, include all mileage from, to, or through the state of Missouri from July 1 to June 30. Miles traveled transporting containers with residues of hazardous materials should be included.
- c. **Total Missouri Shipments** – use the total number of manifests, shipments, and bills of lading for any property transported from, to, or through Missouri for the preceding year.
- d. **Total Missouri Hazardous Waste Shipments** – use hazardous waste manifests, used oil logs, or infectious waste shipping papers to determine the number of hazardous waste shipments transported from, to, or through Missouri for the preceding year.

Note: for your first year of operation, you will need to estimate miles and loads if unknown. If estimates are used to obtain your hazardous waste license, adjustments will be made upon renewal after your first year of operation for any amount over or under the fee paid using the actual amounts from your initial year of operation.

The total fees due will calculate after you enter your miles and shipment information. This will be your invoice amount.

Consent

Commercial motor vehicle safety regulations apply to motor carriers operating in the transportation of Hazardous Waste. For more information about safety regulations that apply to your operation visit the Safety & Compliance section of our website at <https://www.modot.org/mcs>.

Applicant, by signature on and/or delivery of this application to the Missouri Department of Transportation, consents on behalf of itself and its affiliates (including persons and entities under its control or related to applicant, and all of their agents, employees, drivers, lessors and lessees of vehicles or drivers, and insurance providers) to be investigated by MoDOT or Missouri Department of Natural Resources (including MoDOT or DNR employees, agents, and cooperating law enforcement or regulatory agencies), in relation to the applicant's safety fitness and insurance coverage with respect to motor vehicles and drivers. This consent extends to a search for and recovery of all evidence relating to compliance with state, federal, and local laws whether located on or off the premises of applicant and whether in the possession of applicant or any third party. MoDOT or DNR may copy or take possession of any document or item of evidence that may be found during such search or inspection. Termination of this consent by applicant prior to issuance of a permit to operate shall be grounds for immediate dismissal or denial of the application.

I have read, understood and agreed to the above terms and conditions.
